

## Chemistry Review Course

a.k.a.

# Fun with Chemistry

**Non-Stop Live Demonstrations that teach Haz Mat Chemistry.**  
**Brush up on your chemistry – by seeing, hearing, feeling and doing it!**  
**Experience first hand the hazards of incompatibles, explosives, oxidizers, corrosives – the unpredictable nature and potential reactivity of hazardous materials has to be seen to be believed!**

### Experience It!

A hazmat chemistry course designed to suit audiences from FRA's, FRO's, Haz Mat Tech's & Spec's, Incident Commanders, Haz Mat Investigators, Inspectors, etc...
